ABOUT US

Yangzhou Xinsun Hotel Amenity Co,Ltd set up in 2008, located in Yangzhou City, which is one of China' s largest production bases of hotel supplies. We are specialized producer and exporter of various luxury hotel and airline supplies, including slippers, shoe bags, laundry bags, hair dryer bags, shoe mitt, and other hotel amenities.

Our company's annual output is 8 million pairs of slippers. For stable quality, competitive price and best service, our products are sold to North America, Europe, the Middle East, Japan, Korea, and Southeast Asian Countries and areas.

"Quality is life, Reputation is spirit" is our company's purpose, we assure you of our quick response, serious treatment, and considerate service.

With a team of experienced designer and skillful workers, we are in the position to quote prices or make counter samples according to your ideas, descriptions,specifications, pictures, drawing or original samples. All our products are custom designed and labeled with your own logo. If you are interested in any of our products,please don't hesitate to contact us at any time to initiate a long-term cooperation.
